STUDENT LIFE

1. Garfield was imitating Mary Lee.
2. While taking a quick break during advanced math, Edgar Porter smiled at the camera.
3. Seniors showed their enthusiasm on the first day of school.
4. Taken by surprise was Daphne Spalding.
5. Barbara Newton explained Drafting to Stephen Yates, Barbara Lamkin, and Robin Carey.

Showing off their class rings were Lynette Downs, Tammy Lanham, Dana Newton, Julie Green, Angela Carbone and Lynn Mattingly.

Mr. or Ms.? David Hamilton escorted by Ellen Brennan during the Opossum Queen contest.

Alice Thompson is shocked by Kim Gilmore's remark.

Giving the camera a disgusted look was Dora Lyon. The Classroom lights were too much for Michelle Lee to handle.

OLD MAN DOWN THE ROAD

Long boring bus rides to school every day wouldn't be the same without Alvin Powell alias: Fred, Grandpa, Dolittle, Junior . . . , to greet every student going to and from school. Mr. Powell is a very important part of the bus student's life. His friendly wave and smile are enough to cheer even the grumpiest bus rider.

Mr. Powell drove a school bus for eight and a half years, retiring only because of his poor health. The few mornings he isn't waving to the students are the mornings he isn't feeling well.

We, the students at MCHS, would like to express our appreciation to Mr. Powell for setting aside a little of his free time to brighten our day. He is one of many people who has made our school years complete.

Precise concentration is shown by Timmy Williams in drafting.

"Hey, what's up?", says Eric Courtwright.

Seniors show their school spirit at a pep rally.

An expert coach in English 101 Kim Mattingly reviews a student paper.

Far left — By the expression on Terri Spalding's face, one can tell she has had a bad day.
Left — While Renee Elliott is ready for class to begin, Carter Montgomery is ready for it to end.

Student Life

Michelle Mattingly, Tessa Thomas and Karen Lanham enjoy each other's company.

Trying to finish a task in Auto Body is Jim Wathen.

Taking a break in World Civilization is Laura Purdom and Jill Spalding.

Looking with a puzzled face is Bobbi Wilson.

Vocational School has many hidden talents, such as Phillip Lucas.

Missy Lockett displays her muscular ability

During computer class Curtis Cian works magic

While in the cafeteria, Shannon Ball, Patricia Maupin and Mary Beth Hardesty are caught goofing off

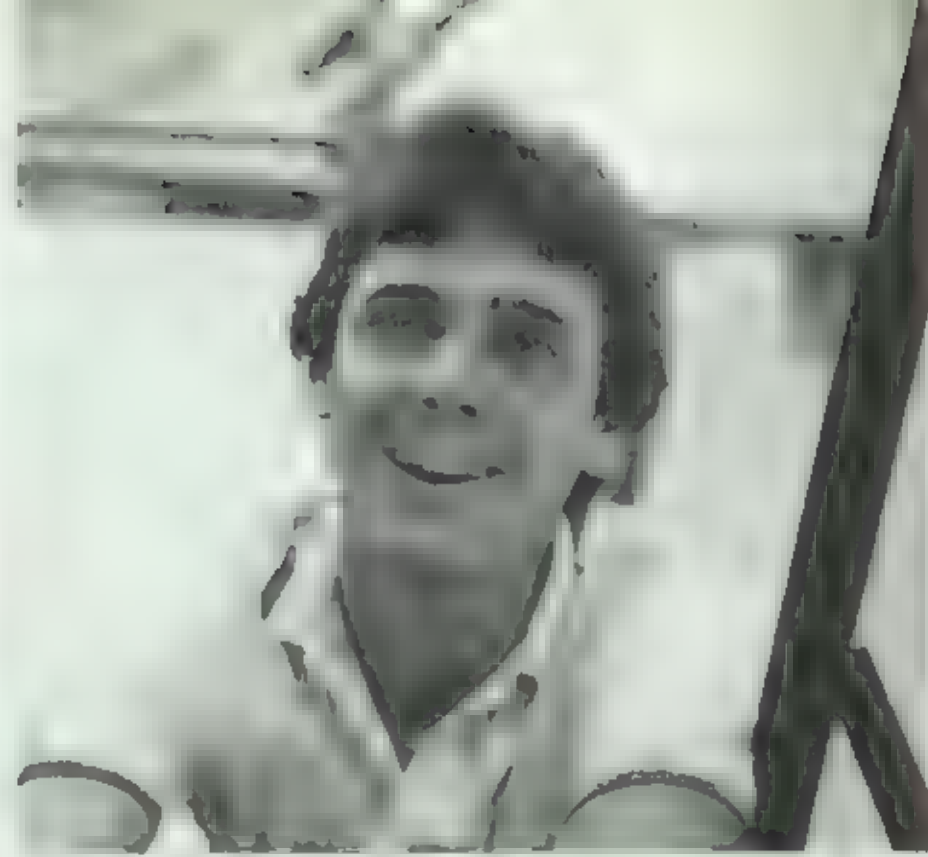

Can Pickles (Missy Hughes) really type?

Showing their true sides are Missy Farmer and Michelle Lee

SMILE, Paul Spalding, YOU'RE ON CANDID CAMERA!

Doug Bailard flashed his pearly whites for the camera

Junior Robby Gabehart gave drafting his full attention

Is Rose Marie Ball the latest addition to the MCHS foot ball team?

Student Life

Keeping hallway safety in mind, Shawn Lanham, Kevin Smith and Tim Mayo held up the lockers

"Loud and Proud" are Lamont McKay, Reggie Mattingly, William Ford, and Gary Williams.

The Thompson Twins, Gina and Erica.

Unlike some seniors, Ronnie Derringer doesn't need help getting in his top locker.

Only a freshman, Rhonda Thompson, could be happy on a Monday morning.

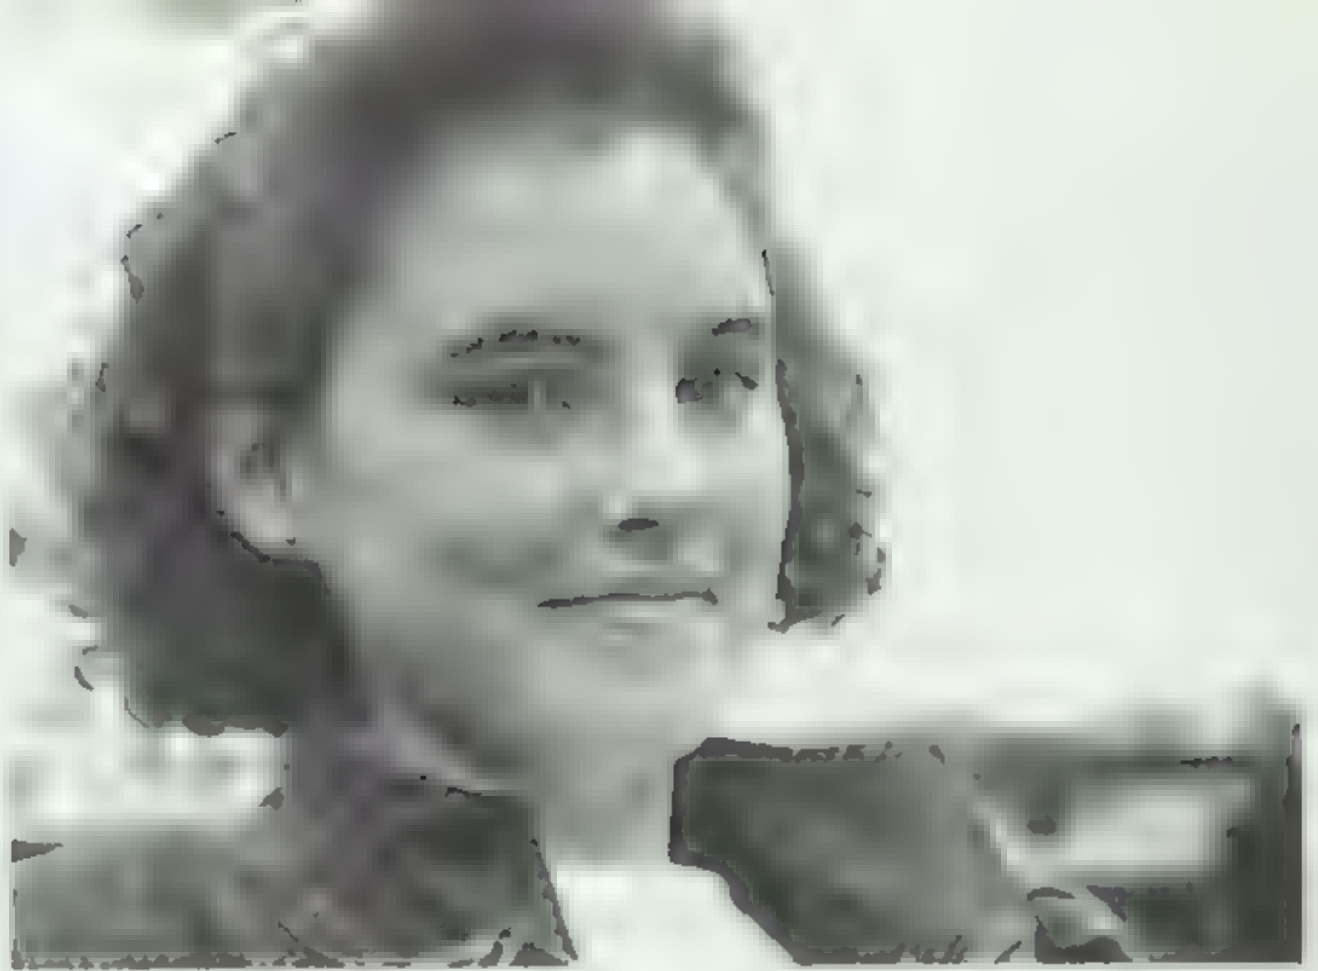

Karen Norris was dumbfounded when the teacher asked her a question.

Future Chemist? Earl Mudd is working in chemistry class.

Showing her school spirit, Carol Lyvers dressed up on Fifties Day

Tonya Simpson says, "Okay, take my picture!"

Sherry Bell got ready for the long walk up the hill

Three out of four isn't bad (Rhonda Thompson, Renee Knopp, Stephanie Benningfeld, Anita Abel)

Student Life

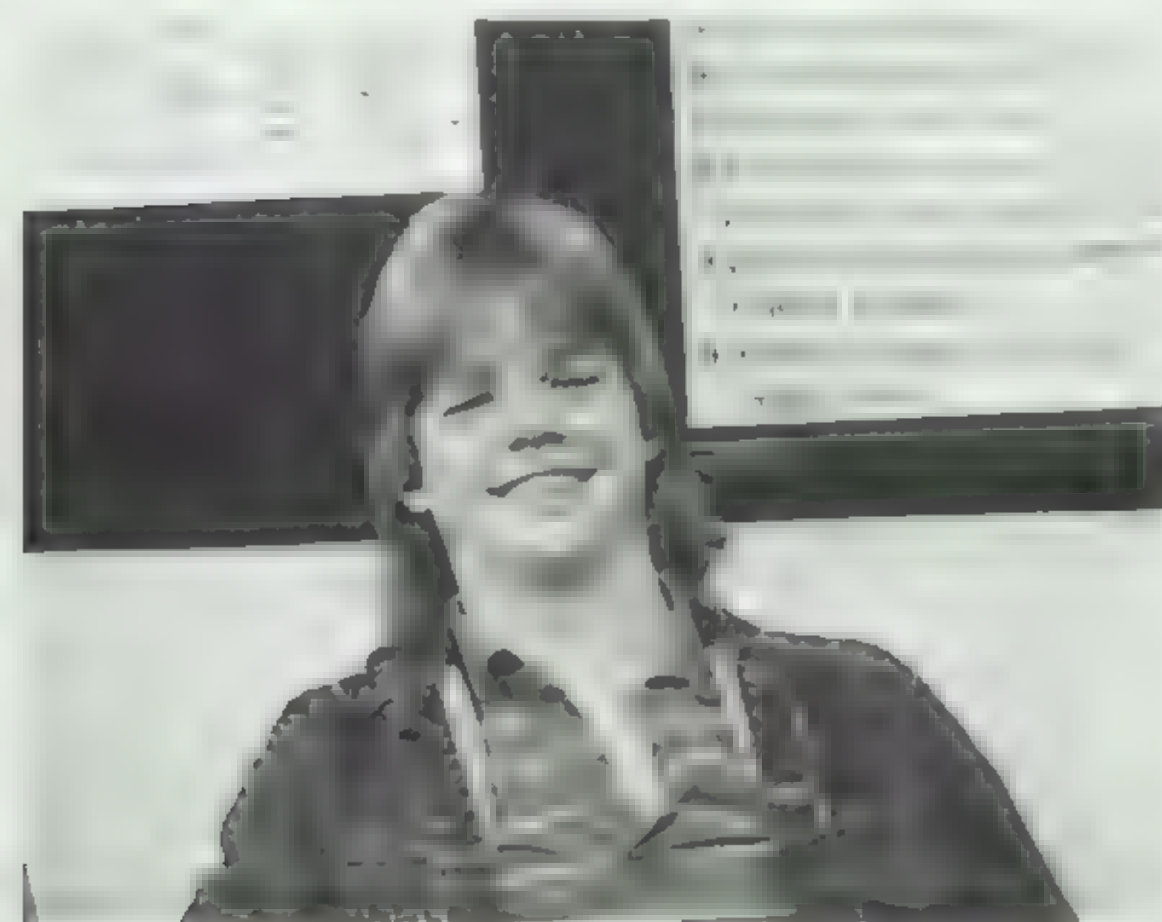

"I'm not camera shy", said Gina Higdon

Todd Abell looked "bad to the bone"

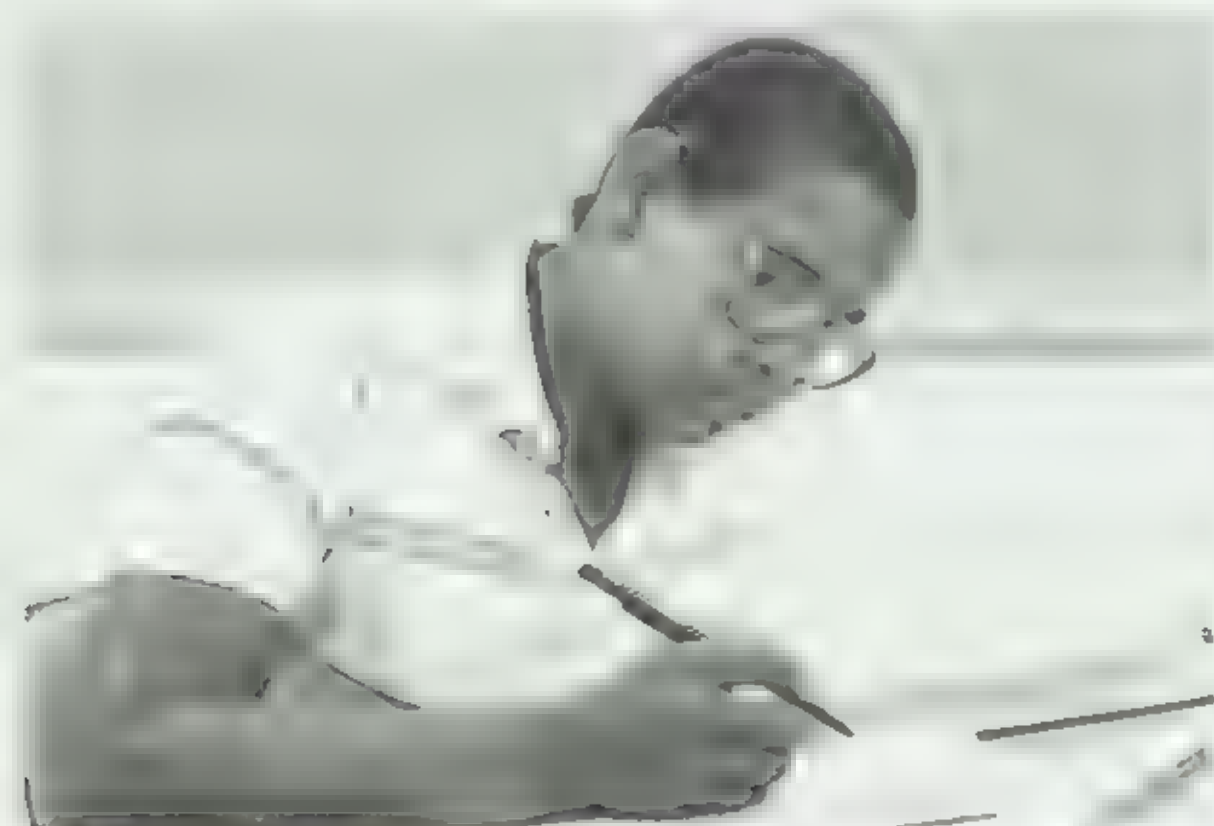

Taking a break at Hardee's were Troy Abeli, Jeff Thompson and Timmy Miles

Will Hank Nalley be our future President???

Is Eric Thompson ready for class?

Is Rob Porter working hard or hardly working?

When you've got it, you've got it! (Stephanie Mattingly, Tammy Lanham, Dana Newton)

MR. AND MISS MCHS

CHUCK CAMBRON MISSY SMITH

Chuck Cambron, son of George and Betty Cambron, was named as Mr. MCHS. He played mostly football for MCHS. Chuck's hobbies include motorcycle riding, playing sports, and hunting. Missy Smith, daughter of Donald and Carol Jean Smith, was chosen as Miss MCHS. She was a member of Marion County's FBLA and was a candidate for the 1985 football homecoming queen.

Miss Smith says she enjoys dancing, reading, and talking with friends.

Chuck and Missy have been dating for several years. The history of their love affair and how it began was told together. Because of the closeness between Chuck and Missy, their classmates thought they had presented what makes the class of '86 special.

FRIENDLIEST

David Daugherty and Gayla Cissell were chosen Friendliest by their classmates. David played basketball for MCHS. College is definitely in David's plans, but he is undecided on a career. Gayla was the President of MCHS Student Council and a member of NHS. She participated in the 1986 Jr. Miss. Gayla plans to attend U.K. or W.K.U. David's classmates see him as a very easy-going person. Gayla is noted for her outgoing and care-free personality.

MOST TALENTED

Robbie McKenzie and Bobbi Wilson were chosen by their classmates as Most Talented. Robbie was a member of NHS and band. He also served as field commander of the marching band. His hobbies include singing, as well as playing the piano, saxophone, and guitar. Bobbi was a 7 year member of gymnastics. She was the 1986 MCHS Jr. Miss winner and placed 3rd runner up in the state Jr. Miss Pageant. Bobbi also was chosen the 1985 football Homecoming Queen. She was a MCHS cheerleader and enjoys dancing and playing the piano.

OUTSTANDING BLACK AMERICANS

Edgar Porter and Aretha Porter were elected Outstanding Black Americans. Edgar was recognized in the 1986 Who's Who Among American High School Students. He was the time keeper at the St. Charles Middle School basketball games and is now employed at Hardee's. Edgar plans to attend W.K.U. and become an engineer. In his spare time, he enjoys fishing, playing basketball, and participating in other sports.

Aretha has played basketball for 3 years with the Lady Knights. She was involved in the Child Care Program at MCHS. After graduation Aretha plans to attend college and play basketball. In her spare time she enjoys listening to music, playing sports, being with friends, and singing

Tom Glasscock and Missy Farmer were elected Biggest Partiers by their classmates. Tom was a member of the Pep Club and Journalism Staff. He was also the Sports Editor of The Quest. Tom is interested in a career in hotel management and plans to attend St. Catherine and E.K.U. Missy was a member of AIAA and Mass Media. She plans to attend E.K.U. Tom enjoys going out and having a good time while Missy is noted for her unique style of dressing

BIGGEST PARTIERS

MOST LIKELY TO BECOME MILLIONAIRES

Colin Steele and Dawn Carey were chosen Most Likely to Become Millionaires. Dawn was involved in numerous activities during her senior year. They included the International Club, Academic Team, NHS, and Who's Who Among American High School Students. She was selected as a 1985 Governor's Scholar, and captured the scholastic award during the 1986 Jr. Miss. She plans to attend W.K.U. and major in obstetrics. During her spare time Dawn enjoys listening to music, reading, and tutoring.

Colin was a member of NHS and Speech and Drama. During his high school years he received numerous scholastic awards. Colin wishes to attend Holy Cross University in Massachusetts. He enjoys playing Dungeons and Dragons and playing all types of sports.

Mark Reid and Gail Mattingly were chosen by their classmates to have the Most School Spirit. Mark was a member of NHS and has received an academic letter and bar.

He was also a Junior Scholar at W.K.U. Mark would like to have a career dealing with computers or math. He enjoys listening to music and roller skating.

Gail was a member of NHS, Pep Club, and Mass Media. She placed 4th in the 1986 Jr. Miss and 2nd runner up in the 1985 Football Homecoming. Gail works as a nurse's aide at the Loretto Mother House and enjoys listening to music and being with friends.

MOST SCHOOL SPIRIT

CLASS CLOWNS

Because of their ability to make their classmates laugh Ronnie Derringer and Kathy Hamilton were voted Class Clowns. Kathy was a member of the Pep Club during her senior year. She has received numerous awards in tennis and swimming. She plans to attend E.K.U. and later become a dietician. Kathy enjoys all sports and in her spare time being with friends. Ronnie has been a three year member of ROTC. He has received an academic letter and lamp. During his spare time Ronnie enjoys all types of sports. Ronnie and Kathy are noted for their easy going personalities

MOST ATHLETIC

"Tiny" Tim Washington and Paula Drury were elected Most Athletic by their classmates. Tiny has played high school football, basketball, and baseball for four years. He was the MVP of the 1984-85 basketball season. Tiny received the all conference award and all state honorable mention award during the 1985 football season. He plans to attend college and would like to be a professional baseball player

Paula has played basketball since she was in the sixth grade. She was a guard and a starting player on the varsity basketball team. She is noted for her quickness on the floor. Paula is also a member of a volleyball league. She plans to attend college and play basketball. Paula enjoys playing all types of sports

TWINS

The definition of a twin is being two, or one of two, born at the same birth. There are five sets of fraternal twins and four sets of identical twins at MCHS.

Many people have different views about being a twin. Some twins think it is an exciting experience to have a person that looks exactly like themselves.

Karen Hayden, an identical twin remarked, "I enjoy being Sharen's twin, even though we do fight a lot." Keith Bright, a fraternal twin, commented that "At times it's easier to get wrapped up with a twin, especially if you get along well. I like being a twin."

SOPHOMORE

MR. & MISS SOPHOMORE

Tony Turner was voted Mr. Sophomore by his class. Tony is the son of David and Linda Turner. His greatest interest is playing the guitar.

Tony's first reaction was, "I was very surprised to be selected from the sophomore class."

June Clark was voted Miss Sophomore by her peers. June is the daughter of William and Martha Clark. She is involved in the Spanish Club this year. Her hobbies include volleyball, listening to music, and being with friends.

Her first reaction was, "I was surprised, I didn't think I would be chosen."

CLASS OFFICERS

David Hamilton, the son of Larry and Mary Lou Hamilton, was selected vice-president of the sophomore class. His first reaction: "I was surprised to be elected to this office."

David was a center for the Knights' football team. His activities include hunting and listening to music.

Jill Gardner, the daughter of Marvin and Betty Gardner, was selected secretary-treasurer of the sophomore class. She was a member of the drill team. Her hobbies are collecting Garfields and dancing.

Jill's first reaction was, "I was surprised to be selected from the sophomore class."

Keith Higdon, the son of Larry and Elaine Higdon, was selected president of the sophomore class. His first reaction was, "I felt really happy to be chosen as president of my class."

Keith's hobbies include drawing, reading, and being with friends.

Class of 88

MR. & MISS FRESHMEN

Ricky Barlow was chosen Mr. Freshman by the freshmen class. He is the only son of Judy and David Barlow. He participated in MC football as a linebacker during the 85-86 season. Motorcycle riding, talking to friends, and listening to hard rock on WDJX are among his hobbies.

Ricky's reaction to becoming Mr. Freshman was, "I was surprised. I thought that someone else would get it."

Kim Mattingly was chosen Miss Freshman. She is the daughter of Tommy and Linda Mattingly. She is a member of FHA and enjoys swimming, dancing, talking to friends, and listening to music.

Kim's first reaction was, "I was surprised that I would be chosen over all the freshmen girls."

IN MEMORY OF

Mr. Thomas B. Whitehouse

Mr. Thomas B. Whitehouse died March 3, 1986. He worked for the Marion County school system for approximately 50 years, half a century.

Fifty years is a long time in the life of an individual. He rendered a full lifetime of very efficient service. Beginning in 1934 as a classroom teacher, he did so well so many of the things that a good teacher should do that he was promoted in 1950 to Administrative work as Director of Pupil Personnel with system-wide duties and responsibilities. He continued in

this capacity until his retirement in 1984.

Fifty years is a significant time in the life of a community. Mr. Whitehouse played a very important part in the development of the present program of Elementary and Secondary Education in Marion County. A part of the legacy he left will be the shining faces of young people who face a brighter future because of his many years of dedicated service.

AND STAFF

By the book!

Just imagine if there were no means of communication. What would the world be like?

Lucky for students at Marion County High School, the great responsibility of keeping this important asset intact was given to nine qualified teachers who helped us to learn a better and more correct use of English. They are Dan Lyvers, Wanda Brown, Suzie Smith, Lynn Looper, Lynn D. Farris, Nancy Richerson, Calvin Wise, Jayne Hogan, and Robert Davenport

The main objective of the English department is to enrich students through various readings, and to teach the skills needed for communicating and writing

Mr. Donald Cheatham is the head of the computer department as well as the only teacher who teaches computers. The courses offered are Introduction to Computers and Computer Programming. This was the first year that students from Marion County High School could take Computer Programming for college credit from UK.

1. Pat Southall is up to something while Karen Hayden receives advice from Mr. Hogan.
2. Doug Peterson and Ellen Brennan seem enthralled with the ballpoint pen.
3. Mr. Hogan's prize pupils make advanced math a group effort.
4. Disturbed from their work in computers are Jackie Mullitt and Anita Townsend.
5. Even though no one understands it, Mr. Hogan does his best to explain advanced math.
6. Todd Brockman proves that a computer can be used in more than one way.

Searching for Solutions

The main objectives of the science department are to prepare students for the challenge of a technological society by studying the known scientific facts and to apply these to the problems of the future

Due to curriculum changes initiated a year ago, sophomores following the college bound curriculum are bypassing physical science and taking chemistry. This has resulted in the largest chemistry enrollment ever at M.C.H.S. Following this curriculum enables students to meet pre-college requirements of biology, chemistry, and physics

This year, students of physics and physical science are being introduced to the applications of laser and fiber optics. The science department received the new laser during the summer

BUILDING BETTER BODIES

The Physical Education and Health program at Marion County High School is a well organized and advanced program. The physical education classes provide a wide variety of sports which could be important later in life.

1. Senior David Dandlett, tests the heavy lift press, while Rick Carlson poses for a picture.

The Health classes are concerned with controlling and preventing health problems. The health curriculum tries to reach all aspects of life. PE. I is required for all sophomores. PE. II and PE. III offers a more advanced level of sports such as ping pong, volleyball

ON THE SHELVES

This year was the first year at Marion County High School that a library club was formed. S.L.A.K., (Stu-

dent Library Association of Kentucky) is headed by Mrs. Himes and is comprised of eleven students. The main objective of the library and club is to provide materials for faculty and student use to help with various classes. S.L.A.K. had various fund-raising projects in order to raise money to go to the state convention on March 28-29. Since this is the club's first year, they mainly observed the convention to see how things are done. Mrs. Himes said that next year they will participate since they will know more about what is going on.

S.L.A.K. First Row — Mrs. Himes, Mitz Godbey, Beth Lanham, Michelle Farris, Sharon Mullins, Sherry Porter. Second Row — Melissa Carrico, Debra Bell, Terri Smalley, Jennifer Bright, L. J. Brock, Scott Mattingly.

SPECIAL EDUCATION

Again this year, the main objective of the Special Education Department is to help students work at their own pace in all subject areas. Many of the students are also mainstreamed into regular classes.

Teachers involved in Special Education are Debbie Spalding, department head, Tim Davis, Trudy Duncan, and Charles Tharp

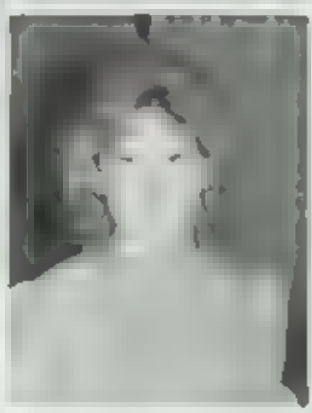

- 1 Carolyn Wright, Lisa Lyvers, Michael Rakea and Terry Howard show us that school is not everything that it is cracked up to be

The vocational school has many types of special courses which can assist a person in later years. It not only proves to give help in job searching, but also in the personal lives of the students. Vocational School is a great way to receive additional training in several fields which include business, health occupations, auto mechanics, auto body, carpentry, air conditioning, and welding. During the 1985-1986 school year, the Marlon County FFA chapter was involved in many contests and activities on the regional and state level. Each year, the FFA chapter strives to teach leadership and responsibility to the student. The chapter sent four officers to the national FFA convention in Kansas City, MO.

The Marion County High School Industrial Arts program is a technically-based program that provides opportunities for all students to become technologically literate, with hands-on experiences to reinforce learning. An elective subject area, the Industrial Arts program presents students with an opportunity to develop knowledge, skills, and attitudes that reach across the spectrum from use of the simple hand tool to the computer controlled machine.

On the Keys in Business

The key to unlocking business skills lay in the hands of Mrs. Caroline Polk and Mr. George Cecil of the business department.

The main objective of the business department is to give the students a broad general knowledge of business related subjects that can be applicable for possible career or personal use in later life. Subject areas included are typing, accounting, shorthand, recordkeeping, and secretarial office procedures.

Career Education is taught by Mr. Tharp again this year. Several students at Marion County take Career Ed., which offers a chance for the students to earn credit while receiving on-the-job training.

1. Concentrating hard, Julie Thomas is enjoying typing.
2. While in office procedures, Sharon Ball tries not to notice the camera.
3. Putting his paper in his typewriter, James Hardin is ready to go.

He tells us that the goal of Alternative school is to give students a chance to participate in learning experiences instead of suspension. It provides an alternative plan for handling problems generated by secondary students and reduces the incidences of delinquency within our community.

YEAR IN REVIEW

Joey Blandford and Doug Peterson

In 1985 the Knights football team finished with a 7-4 record. The Knights started this season with a win against Anderson County, 21-13, and followed up with a win against Scott County, 32-6, and next defeated the defending district champs Taylor County, 27-7. The Knights suffered defeats against two powerhouse AA teams, Fort Knox, 14-24, and Bardstown, 0-13. The Knights started another winning streak with a win against Nelson County at their homecoming, 28-0. The Knights then blew away Greenville, 25-0, and next defeated Grayson County, 12-6, at our homecoming. With a loss and our poorest showing against East Hardin, 0-28, tragedy struck with the loss of a valuable senior player, Brian Brown due to an eye injury. This defeat kept the Knights from attending the State Regionals. Marion County finished the season with an outstanding victory against Bullitt Central, 28-14, and a hard fought loss against Washington County, 14-21. With this loss against the Commanders, 13 senior Knights ended their football careers for Marion County.

Congratulations to Kevin Farmer, Herbie Miller, Tim Washington, Lee Calhoun, and Scott Cambron for making All Conference in football. Honorable mention was also given to Shawn Lanham, Tony Tonge and Brian Thomas.

FOOTBALL HOMECOMING

MCHS had a colorful 1985 football homecoming. The pep that has been lacking in Marion County for the past few years returned to the football homecoming activities. Thanks to the hardwork of the cheerleaders, the pep club, the Marion County Marching Knights, and the Student Council, the 1985 homecoming was an event that brought out the spirit of M.C.H.S.

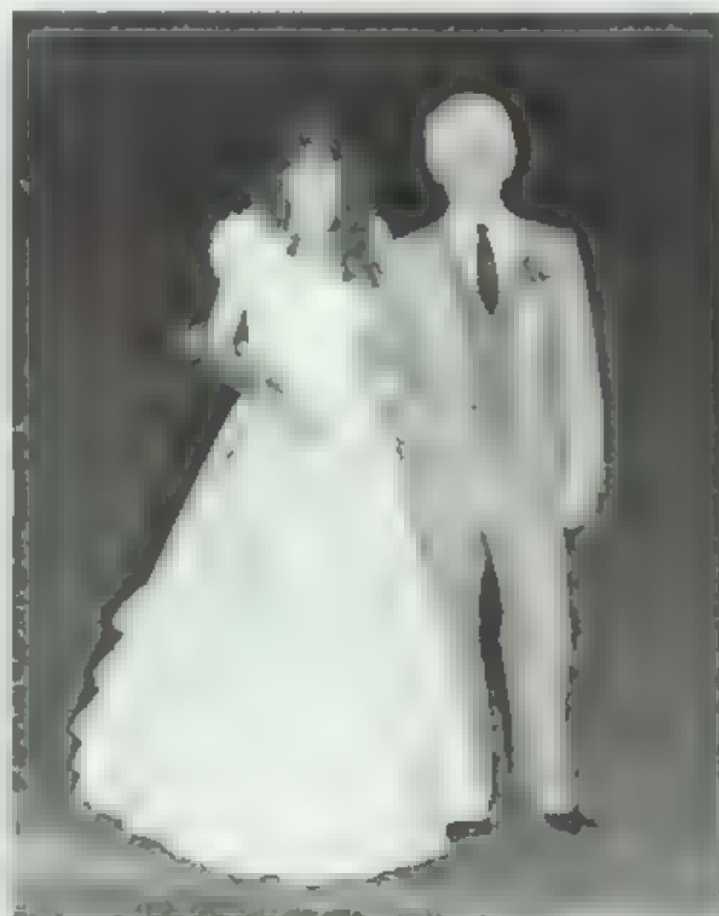

October 7th-thru-11th was designated as homecoming week. The highlight of the week was the MCHS-Grayson Co. game on Friday night. Mrs. Blevins and the pep club named Monday appreciation day to football players, cheerleaders, and band members. Tuesday was 50-60's day, Wednesday

was button and poster day. Keith Higdon and Suzonne Hall won the poster contest. Thursday was dress-up day, and Friday of that week was maroon and silver day. A pep rally was also held on Friday in preparation for the football game. Brian (Bertha) Brown was crowned the 1985 opossum queen by last year's queen Ms. Roby.

The Knights won the Homecoming game by a score of 12 to 6. At halftime the 12 homecoming candidates were introduced from each homeroom. Bobbi Jean Wilson was crowned Homecoming Queen, Paula Drury and Gail Mattingly first and second runner-up.

As the winner was announced, Bobbi Jean Wilson showed her surprise

CROSS COUNTRY

The races run, the awards and disappointments accepted, the runners can now only reflect on the past season.

This year's cross country team consisted of nineteen members, eight girls and eleven boys. From this group Dana Daugherty, Dale Daugherty and Cathy Thompson all qualified for state regionals and placed in the top twenty.

Mrs. Anne Swencki officially became cross country coach. Mrs. Swencki said that experience, excitement, and a good positive attitude combined to create a good cross country team.

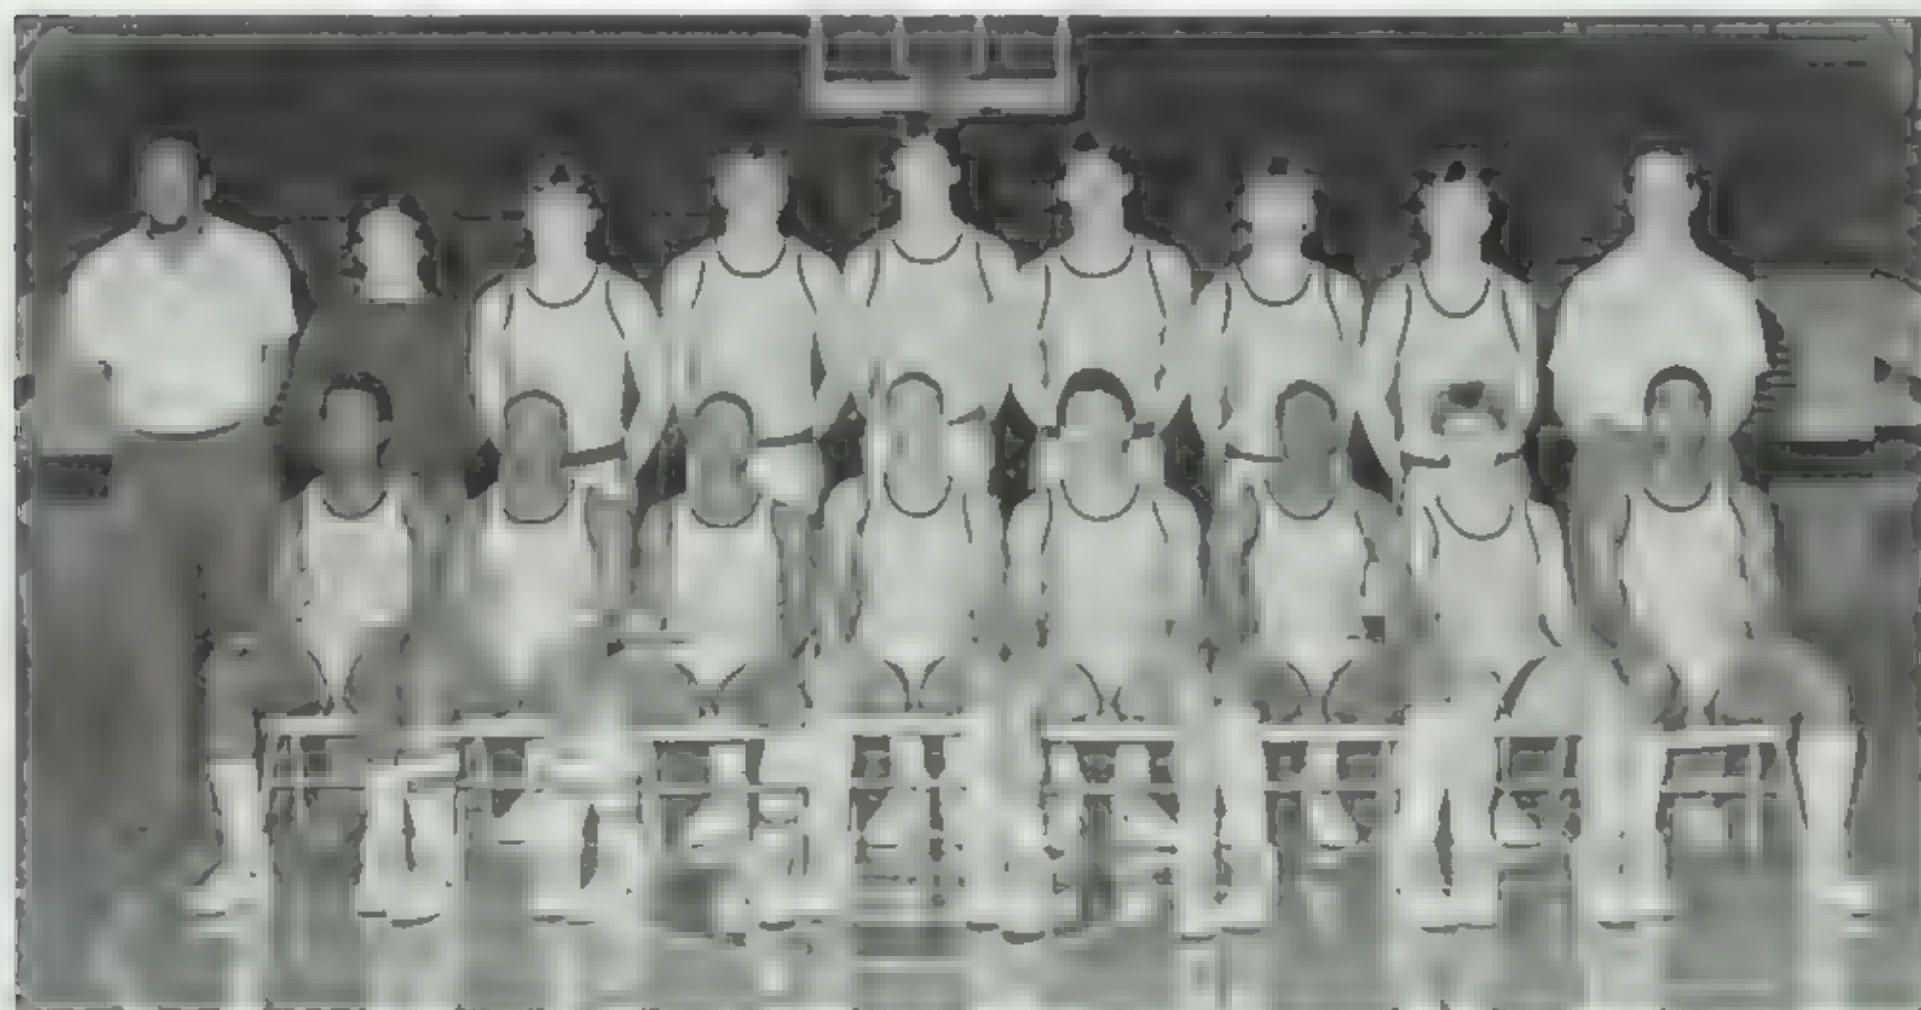

Junior, Dana Daugherty finished the season as one of the top runners in the region and qualified for the state meet.

The Year In Review

Despite losing in the first round of the district for the fifth straight year, 1985-1986, was a year of improvement for Marion County head coach Tim Davis and his Knights.

The Knights started out the season with a win over Campbellsville 67-47, but then were defeated by Bullitt Central with a score of 65-57. They came back with a win over Bethlehem 55-43, but then were defeated by long-time arch-rival Washington Co. with a final score of 53-50.

For the second time in the season, Marion Co. defeated Bethlehem with a score of 48-46. They continued to win as they defeated Cumberland Co. 54-50. The Knights continued their winning streak by beating Adair Co. 56-52. They won against West Hardin with a score of 62-53.

Their winning streak was broken when Bardstown defeated the Knights 58-57.

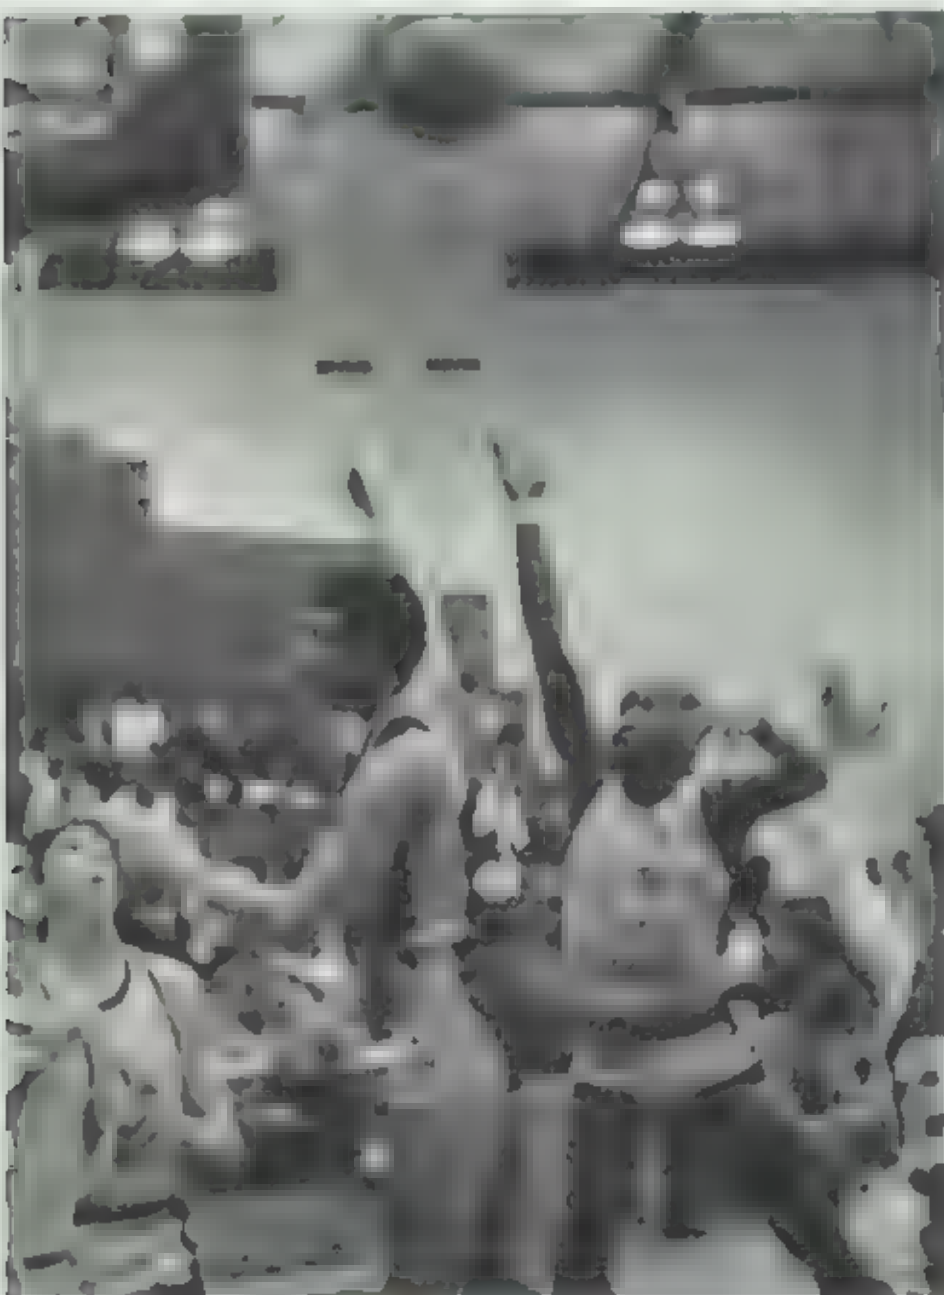

Adair Co. was defeated for the second time in the season with a score of 53-50. MCHS added another win to their list of credits with a victory over rival Taylor Co. 66-49. The Knights won against Washington Co. in their second game of the season with a score of 67-64.

MCHS suffered a loss at the hands of Caverna, 61-48. They were handed a loss from Taylor Co. with a final score of 62-58. Bardstown defeated MCHS again by a close margin of 58-56. Their losing streak continued when Nelson Co. beat the Knights 65-63. Though most of the Knights' losses had been by a narrow margin, E-town beat the Knights by 29 points with a score of 66-37. Casey Co. beat the Knights with a final score of 84-73.

After six consecutive losses, the Knights finally won their third game against Bethlehem, 56-45. In their second game against Bullitt Central, they won 65-63. They continued winning when they beat Hart Co. 81-72. In their final win of the season, the Knights beat Western Anderson with a final score of 70-48. East Hardin defeated MCHS 58-53. The Knights lost to Nelson Co. 60-57, and, in their final game, they lost to Campbellsville in the district tournament 84-64. They ended their season with a record of 13-13.

Intense concentration is displayed on Senior Tim Washington's face.

THE YEAR IN REVIEW

The Lady Knights, who ended this season with a 23-6 record, suffered a disappointing loss to Meade Co. in the finals of the Regional Tournament.

The Lady Knights started out as a much improved team this season with wins over Taylor and Boyle Co. Then they suffered a disappointing loss to arch-rival Washington Co. But the Ladies bounced back with wins over both Somerset and Anderson Co. Next the Lady Knights suffered a loss to Boyle Co. but a five game winning streak followed with wins over Cumberland Co., Casey Co. Bardstown, Bullitt Central, and Nelson Co. This streak ended in a loss to Adair Co. The Lady Knights continued with wins over Campbellsville, Taylor Co., and Bardstown followed by a loss to Shelby Co. For the second time this season the girls defeated Nelson Co. and this pattern continued in wins over Adair Co., Fort Knox, and Hart Co.

However, for the second time in the season, Washington Co. handed the Lady Knights a three point loss. The regular season ended on an up beat for the Ladies with wins over Danville, North Hardin, and Bullitt Central

The Lady Knights continued to win in both district games with wins over Campbellsville and Taylor Co. The Lady Knights continued into the Regional with wins over Larue Co. and Washington Co. but were dealt a crushing blow by Meade Co. in the final game of the 5th Region Tournament. Paul Drury and Aretha Porter were named to the Mid-Kentucky All Conference team

1986 BASKETBALL HOMECOMING

The 1986 Basketball Homecoming was a week filled with spirit and enthusiasm! Homecoming week kept with the usual tradition of spirit week. Button Day was held on Monday, followed by Sloppy Day on Tuesday. Students displayed posters on Wednesday, and dressed in their best attire for "dress-up" day on Thursday. Friday, the week ended traditionally with Maroon and Silver day.

Homecoming night was held on February 7, 1986. It was a very special evening for the twelve girls representing their respective classes. Steve McDaniel introduced the 1986 Basketball Homecoming candidates.

The winners were Queen Gayla Cissell, Princesses Tammy Lanham, Amy Hendron, and Kim Mattingly.

Up to the end, every girl smiled, but now each wore an anxious look as the winners were announced. Scholastic Award went to Dawn Carey, as Bobbi Wilson captured the Creative and Performing Arts Award. Fourth runner-up — Gail Mattingly, third runner-up and winner of the Physical Fitness award — Dana Richerson, second runner-up

— Rose Marie Ball, and first runner-up and winner of Poise and Appearance — Ellen Brennan

The crowd went silent when Trent Clutts, the Master of Ceremonies began saying, "and the new 1986 Junior Miss is number 18 — Bobbi Jean Wilson."

Bobbi Wilson's face told the story as she was crowned 1986 Junior Miss

- 1 The spirit of Junior Miss was actively displayed during the Ham Day's parade
- 2 Miles from home, Gerard Surlemont assisted in the Ham Day's contests
- 3 Nicky Thompson had a drink and a smile
- 4 Marion County's Junior Miss Bobbi Wilson took time to observe the crowd
- 5 Sean O'Daniel and Jim Reed waited in line at the drink booth
- 6 John Mattingly captured the charm of Ham Days
- 7 Not the Indy 500, Brad Langford revved his engine for the start of the parade

THE WORLD AROUND US

SCHOOL CLOSINGS

There was a widespread epidemic of the flu in Marion County's Schools which caused the School System to close down for five days. The winter weather conditions also caused schools to be dismissed four more days, prolonging the graduation of the 1986 class.

BUSINESSES

In the past two years there have been many new businesses to open in Lebanon. They include: Higdon's Foodtown, Creations, Ace Hardware, Ball 66 Food Mart, Radio Shack, Palm Beach Mill Outlet and Dollar General II. There were also many businesses to close. There are Hobbs, Rose's Crafts and Fabrica, Cowdens Outlet, Jane and Linda Sportswear, and Montgomery Ward.

KIDNAPPING

In December of 1985, a three-day old infant was kidnapped from Spring View Hospital. The child was recovered within twelve hours after the incident took place.

MAC OPENS ITS DOORS

MAC, short for Marion Adjustment Center, is the state's newest minimum security prison facility.

TWA HIJACKING

In 1985, Americans were favorite targets of terrorism in an airliner hijacking. Airplane TWA, flight 847 was hijacked in June. During the seventeen days after the plane had been seized, only one of the thirty-nine hostages was released. The hostages of that ordeal were eventually released in Beirut.

LIVE AID

Fourteen hour Live Aid concerts in London and Philadelphia last July raised pledges reported at sixty-two million to aid the famine victims of Africa. It was broadcast to one billion plus TV viewers. The funds along with other public and private aid, brought significant famine relief to Ethiopia and other African nations.

EARTHQUAKE IN MEXICO

An earthquake that registered eight on the Richter scale devastated central Mexico in September of 1985. Damage was greatest in heavily populated Mexico City. More than twenty-thousand people were killed.

ACQUIRED IMMUNE DEFICIENCY SYNDROME

AIDS which destroys the immunity system of victims, became the new leprosy epidemic among homosexuals, and obsessed almost everyone. The AIDS virus

must enter the bloodstream to infect someone. Actor, Rock Hudson, became the first public figure stricken by AIDS and his illness and death helped mobilize the search for a cure. As the outcome of Rock Hudson's hospitalization, there have been fifteen thousand AIDS cases reported were infected but showed no symptoms which could take as long as five years to show up.

U.S. BOMBING OF LIBYA

In late March of 1986, the start of World War III could have been triggered. American war planes knocked out a Libyan missile site and disabled two guided-missile patrol boats, after Libya fired at least six missiles at U.S. jets that had crossed the "Line of Death" in the Gulf of Sidra.

CHARLES AND DIANA

A visit by Charles and Diana, Prince and Princess of Wales, was the social event of the year in Washington with the "high and mighty" practically groveling to attend the official festivities. During their visit, they also put in an appearance at J.C. Penny's to promote British goods. Then they flew to Palm Beach, Florida for a polo and benefit ball.

SPACE SHUTTLE CHALLENGER

With the eyes of the world watching, the space shuttle mission ended in tragedy on January 28, 1986 only seventy-four seconds after liftoff. The Challenger blew apart sending seven crew members to their fiery death eight miles out from the Kennedy Space Center. Those who perished aboard the ill-fated space craft included: Christa McAuliffe, Francis R. Scobee, Michael J. Smith, Judy Resnik, Ronald E. McNair, Ellison S. Onizuka, and Gregory B. Jarvis. Though that mission failed, NASA has many more projects planned for the future.

MARCOS

The Marcoses, one of the most powerful couples in the world, were ousted from their country and governmental rule as their corruption, forming over the past twenty years, finally surfaced and was dealt with by the Filipino people.

TYLENOL

In 1986, a woman was reported dead due to cyanide laced Tylenol. Deeper investigating uncovered that the Tylenol bottle had been tampered with either before, or after packing. The makers of Tylenol, decided to remove all Tylenol capsules from the market, and to stop their production.

GENEVA SUMMIT

The Geneva Summit meeting between President Reagan and Soviet leader Mikhail Gorbachev in November gave the two leaders a chance to size each other up. Though the first meeting produced no significant movement in arms-control negotiations, another meeting is set to resume in January of 1987. Reagan and Gorbachev agreed to further meetings during the next two years and the Americans and Soviets agreed on new cultural

exchanges, two consultants, a move to resume air travel between the two nations, and to cooperate on solar energy research. Both also favored a ban on chemical weapons.

HALLEY'S COMET

Halley's Comet passes near the Earth every seventy-five to eighty years. Its last appearance was in 1910 and it became visible again during 1986. The 1910 visit was more spectacular than the one in 1986 due to its closeness to the earth.

Despite Halley's fiery appearance comets consists of dirt, ice, and a long tail that increases in length and brightness as a comet nears the sun. Halley's Comet will make its next appearance in 2061. Therefore, seeing Halley's Comet is a once-in-a-lifetime experience.

SPORTS

The University of Louisville won the 1986 NCAA Basketball Championship. The '86 Championship was their second Championship in six years. Louisville defeated Duke by a score of 72-69 in Dallas, Texas. Also in the Final Four were Louisiana State University and Kansas.

NEW TOYOTA PLANT

The planned five hundred million dollar Toyota plant in Scott County will mean thousands of new jobs for Kentucky, an improved image for the state as a business location, and perhaps the biggest political triumph ever for Governor Martha Layne Collins. Calling the Toyota plant "the corporation of the decade," U.S. Senator Wendell Ford, said that it represented a stamp of approval on the governor's ability not only to run state government but to push it into a new area of job opportunities. Toyota made a very thorough, detailed survey of opportunities throughout the country and selected Kentucky.
